# Objectives in Action 2018-2020

**Mission: We are the single most potent instrument by which the University discharges its teaching and research functions in pursuit of truth, knowledge, and wisdom.**

1. Collections & Content (CaC)	2. Learning, Research, & Teaching (LRT)	3. Linkages, Networking & Public Service (LiNePS)	4. Technology Innovation & Scholarly Innovation (TISC)	5. Stewardship	6. Professional Growth & Development (PGD)
<b>Actively build and manage both curricular and special collections in support of University goals and objectives for EXCELLENCE in teaching, learning and research</b>	<b>Foster collaborative partnerships with department faculties and curricular programs to warrant a balanced information resource</b>	<b>Ensure cooperation and complementation of library services and networks</b>	<b>Be the campus leader and central venue in technology innovation and scholarly communication</b>	<b>Steward productively and meaningfully government resources sourced from the citizenry's taxes by ensuring that UP Mindanao graduates are ethically and globally-competitive Filipino professionals</b>	<b>Promote a learning environment that continually equip and educate staff to achieve the mission of the UP Mindanao Library</b>
Develop strong, user-centered and user-directed library collections and content	Develop and maintain facilities that promote responsive teaching and developmental learning	Maximize utilization of the eUP to network and link the Library's Information Management System (LIMS) with both its internal and external take holders	Constantly innovate to effectively respond to scholarly requirements of all users	Manage the University and College Libraries according to the laws, policies, standards, and regulations promulgated by duly-constituted government agencies and instrumentalities	Participate actively in external and in-house training and development programs
Nurture robust relationships with internal and external partners to provide users with an extensive array of collections and content	Acquire and develop resilient facilities to support teaching, learning, and research	Sustain active leadership in linkages and networks in Mindanao	Undertake applicable user orientation and instruction programs utilizing appropriate technologies	Expose and oppose all forms of tyranny, oppression, dictatorship, cruelty, persecution, and managerial incompetence, whether in a personal capacity or group orchestration, that would totally undermine academic excellence, managerial competence, and administrative integrity	Organize partnerships with library associations and other professional organizations to make available learning activities and opportunities in library and information management
Continue successful strategies for print and digital collections and content storage that enriches worthwhile learning experiences	Be the Center for continuous improvement in the trifocal functions of the University	Develop strong partnership with stakeholders for comprehensive and efficient information management, and meaningful library services	Explore and develop relevant and economical technology that supports growth of, and access to both print and digital collections	Serve as model to all offices in terms of administrative efficiency and operational effectiveness	Provide mechanisms which enable staff to plan and undertake learning and other developmental activities
				Ensure that the Freedom of Information (FOI) and Access is implemented at all strata of University Governance	Facilitate forums where knowledge can be created, shared, and disseminated to enable members to better understand the dynamic environment in which librarians, information professionals and their clients operate
				Implement entrepreneurial ventures that would support and sustain Library operations and services
